Welcome!

*"Forward Tees, Playable, Welcoming,
Open to the Public"*

*"Whether you are a beginner
or expert...you walk or use a
cart...you play with a group or
by yourself...our course is for
you. Challenging, yet forgiving...
steeped in tradition, yet excited
about the future...a club for the
young and the young at heart...a
club for EVERYONE."*

From the Board...

By Karen Kennedy, President

Greetings from the Board of Directors, August 2018.

The Board of Directors met on Wednesday, July 18 at 6:00 p.m. There are three (3) positions open on the Board of Directors. The election of the new directors will be held at the Annual Meeting on Monday, August 27, 2018 at 7:00 p.m. Please plan on attending this year's meeting. If you are unable to attend, the Absentee Ballots will be available in the office on Friday, August 10. Please check in with Todd Nicklas to receive your numbered ballot. Absentee ballots must be completed and in the office by August 23 to be counted. One vote per Certificate of Membership is allowed and please note that the absentee ballot is only used for the first round of voting. Newly elected directors will be invited to attend the

September board meeting as observers with them coming to October meeting as active members of board.

Currently, we have received a resume/bio from Mitch Bartley for a director position. You can see Mitch's bio in this newsletter. Thank you, Mitch! If you are considering running for the board of directors please submit your bio/resume to the LVGCC office. This information must be received by Thursday, August 9 for your name to be included on the ballot and your bio/resume to be sent out with our mailer to the membership. If we have not received the necessary number (at least three!) of candidates we will accept nominations from the floor. The next board meeting will be on Wednesday, August 8 at 6:00 p.m. Our meetings are open to all members.

Congrats to our July Hole-In-One!

Dale McElwee

MEN'S STAG...

Stag will be AUGUST 28TH. We will have a pork steak dinner and home made ice cream. Bar sponsor is Heritage Bank of the Ozarks.

Welcome Our New Members

Bring your friends for a fun day at Lake Valley!

A Note From Our Superintendent...

By Brad Seidt

As July comes to an end we were blessed with some much needed rain fall and cooler weather. The digging for the new electric line has been completed. In the next week they will install the wire and everything will be up and running. Also the new range tee boxes have been opened. Looking ahead to August we will renovate number 8 red tee and number 11 red and gold tee box.

Board Candidate Bio..

Mitch Bartley Bio

My family and I joined Lake Valley in August 2016, and have enjoyed the amenities and company provided by the club since. My wife Shannon and I, having a 6 year-old daughter (Audrey) and 8 year-old son (Riley), tend to visit either very early in the morning or in the late afternoon. My children have enjoyed the golf academy and swim lessons offered, and I love the fact that they are showing interest in the life long hobby of golfing. I have enjoyed golf since my teen years of growing up in Hiawatha, KS, and though I'm more known for my consistent inconsistency (and anyone who has played with me can attest to this), it is a game that I thoroughly enjoy and use as a nice break from daily life. For these reasons, I have a keen interest in making sure this club continues to grow and flourish, as my children grow older. I want to share the experiences we enjoy with as many local families as possible and feel compelled to serve this great community as a board member here at Lake Valley.

While I am not a native to the lake area, I have been visiting the area since the late 1970's as my grandparents had and still have a family cabin in the Sunrise Beach area. My history involves being involved in athletics for as long as I can remember, being very active in Football, Wrestling, and Golf in my youth in Hiawatha, KS. I attended Baker University, where I played on the football team while earning a degree in Biology and remain an active member of Delta Tau Delta international fraternity since joining as an undergrad.

This led to a career in Animal Health, working for various companies in the Validation field where I managed projects from a quality and compliance standpoint. While working for Boehringer Ingelheim VetMedica in St. Joseph, MO, I was diagnosed with Hodgkin's Lymphoma, a type of cancer, and while undergoing treatment (now 15+ years cancer free!!!), my wife returned to school to get her RN. This piqued my interest in medicine, and eventually led to me returning to school to pursue a career in medicine. I attended DeBusk College of Osteopathic Medicine in Harrogate, TN, and completed my residency in Family Medicine in the Truman Health System in Kansas City in 2014. Living at the lake had been a long time goal of my wife and I since we were first married, and we realized that dream in 2014 when I began working for Lake Regional as a Family Medicine physician in our Laurie Clinic. I remain highly involved in my children's interests including coaching wrestling, soccer, flag football, and enjoying my daughter learning about gymnastics since we moved here. My career has now evolved to the point I feel comfortable in pursuing roles such as this position on the board at Lake Valley, and I believe my perspective and life experiences along with strong motivation to continue making this a great place to live and play would serve this community well. I humbly ask for your support, and would be happy to answer any questions you may have. My job entails taking complex problems and making accurate and decisive actions in a timely matter on a daily basis, but at the root of everything, my job is about people, in particular, LISTENING to people, and I want to continue to use those skills to serve the members of Lake Valley.
