Driving Range Packages

Again this year Lake Valley will offer individual range passes for \$100 and family passes for \$175. These yearly passes are good for all the range balls you care to hit for 2016. If you like to practice or have decided that this is the year you are going to improve your game, this offer is for you! Contact Dan or Andi to get signed up for the year.

Reminder

With the coming of colder temperatures we have begun the daily frost watch. Since the golf course is located in a valley next to the lake we often have frost even when others around the area do not. The golf course will remain closed each day until such time as the frost thaws enough to make playing safe for the turf. If you have an early tee time, you can call ahead to check on the day's conditions.

Meet Priscilla Stuart

I am originally from Barnard, a small town in Northwest Missouri. I was an elementary Secretary & Learning Disability Aide at South Nodaway Elementary school there until my husband, Ron, was transferred to Springfield, MO in 1987 at UPS. There I worked for an attorney as a bookkeeper until Ron was transferred to Camdenton in 1990. I started working at Lake Valley as a bookkeeper in 1991.

Ron and I have a daughter, Rhonda, who lives in Nashville with our two granddaughters, Rachel and Ryan and her husband, Rusty.

Lake Valley members have been like a family to me since I started working here. I feel very blessed to have had the opportunity to work here. I have also been so lucky to work with great fellow employees as well.
