We had a good turnout at the last "Dollar Taco Night". Make sure you mark your calendar for the first Tuesday of each month.

The Mother's Day Brunch was a success. Thanks to all the members who turned out for it.

Don't forget the Memorial Scholarship Tournament on Monday, May 26th. If you haven't signed up yet, get you a team and call Dan or Andi to sign up.

With the warmer weather for a week or so and the rain, the course is starting to green up. Hope everyone is getting out and playing golf.

We have been working on beautification areas, planting flowers, mulching, trimming shrubs, and trees.

Just a reminder on cart path rules, please use the cart paths and roughs as much as possible when playing. I would like to thank all the Lake Valley staff for their effort and support. If you have any questions or concerns please contact us anytime.

Have a great month and good golfing!

SPECIAL MGA ANNOUNCEMENT

The 2014 Lake Valley M.G.A. CUP COMPETITION

The Lake Valley MGA has created a new competition for 2014, the “MGA Cup”! This will be a season long competition with points being earned from MGA event participation and winnings. You will receive five “MGA Cup” points for every qualifying event you play in and each dollar you win in any of the nine “MGA Cup” qualifying events will translate into points toward the season total. So, the more MGA events you play in, the more “MGA Cup” points you will earn! The top twelve point earners for 2014 will qualify for a special end of the season competition. The top three point earners for the year will become the team captains for this 27 hole final event. Each captain will then pick his other three team members from the list of other qualifiers. The team will compete in a nine hole scramble, nine hole two best ball shamble with handicap, and nine holes of individual play with handicap. The team scores for each of these different segments will be totaled to determine the “MGA Cup” winners for 2014!

Meet Morgan Righter Cart Attendant

Hi! I'm Morgan Righter. I am 17 years old and a junior at Camdenton High School.

After graduation I plan on going to college, hopefully at CMU in Warrensburg and on to medical school to be a pediatrician.

I have been working at Lake Valley since March of 2013. I honestly love this job. I love the people that I get to spend all day working with. I've gained many people who I consider "family". I work here because I love golf and I love meeting new people. It doesn't hurt that I can also make money. Ha

I can't wait until the summer weather to get here!!
