Important Reminders:

Frost – With the coming of colder temperatures we have begun the daily frost watch. Since the golf course is located in a valley next to the lake we often have frost even when others around the area do not. The golf course will remain closed each day until such time as the frost thaws enough to make playing safe for the turf. If you have an early tee time, you can call ahead to check on the day's conditions.

Handicap Cart Flags

Golf cart traffic has been restricted to rough only until Spring. For those of you that have medical conditions that make the extra walking a burden, you can sign up to use a handicap flag when playing during the off season. The handicap flag will allow you to drive to your ball when conditions allow. Request forms may be picked up in the Pro Shop and will be presented to the Board of Directors for approval. You must be re-approved each year for this privilege.

MEN'S STAG:

Tuesday, January 22nd we will have a special Stag Night. We will order off the menu.

Lake Valley Cook Book

You should have received your letter regarding Lake Valley having a cook book. Send in your recipes and we will put them in the cook book. If you didn't get the form for your recipe and the order form, call Priscilla and she will mail you one.

HANDICAP CART FLAGS

Golf cart traffic has been restricted to rough only until Spring. For those of you that have medical conditions that make the extra walking a burden, you can sign up to use a handicap flag when playing during the off season. The handicap flag will allow you to drive to your ball when conditions allow. However, if carts are restricted to the cart paths due to wet conditions, the flag will not allow you off the path. Request forms may be picked up in the Pro Shop and will be presented to the Board of Directors for approval. You must be re-approved each year for this privilege.

The lucky number for this month is #4293. If this is your number, call Priscilla to claim your prize.

Bag Storage and Locker Rental

The club offers golf bag storage and locker rentals for both men and women. If anyone would like to take advantage of these handy services, just contact Dan or Andi and we can get you signed up. The annual billing will go out in January. If you currently utilize either of these services and no longer want them, please notify the Pro Shop to keep from getting billed.
