### Important Reminders:

**Frost Warning!** Frost mornings are a part of late winter and early spring. Please remember that the golf course will remain closed on these mornings until the frost has melted sufficiently to prevent course damage. You may want to call ahead when you have an early tee time to avoid a long wait at the course before your round. Because the course is located in a valley, we often have frost when you may not have any at home.

**Driving Range Packages** – Again this year Lake Valley will offer individual range passes for \$100 and family passes for \$175. This yearly pass is good for all the range balls you care to hit for 2013. If you like to practice or have decided that this is the year you are going to improve your game this offer is for you! Contact Dan or Andi to get signed up for this year.

**Golf Grip Replacement** – Have you checked your grips lately? This is the time of year to replace those worn grips and get ready for the coming golf season. Contact Dan or Andi and they will get you just the right grip and prepare your clubs for 2013.
