

# SHARK EXPERIENCE

presented by **verizon**<sup>✓</sup>

February 2019

## Something for all

by Mick Jones, General Manager

February 1<sup>st</sup> starts my fourth full month as the General Manager. In the 3 previous months, we've been able to get quite a bit accomplished. And yet, there's more to come.

This month, we're having a team from the Shark Experience come out to install hardware and software for their system onto our golf cars. The Shark Experience is a complete entertainment system inside the golf car.

Along with the Shark Experience, we'll have a constant hole-in-one competition with the assistance of Swing King. The Swing King system will be available on the Shark Experience system. Both systems will allow golfers to compete in a hole-in-one competition, every time they tee it up on the designated hole, for a small fee. More info on the Swing King to come next month.

Starting this year, we will have Course Marshals on the course. They won't be out there every day, but on most days. This will not only encourage golfers to conduct themselves accordingly, but to also pick up the pace of play during our busiest days and during golf outings. Beverage carts will also be available more often than previous seasons.

Also something new for this year is that we will have 3 Golf Professionals here at Lake Valley. **Matt Kirtley** is our newest addition. He is our new Assistant Golf Professional. Please welcome Matt when you see him around the club.

We are having a SuperBowl Scramble on Sunday, Feb 3<sup>rd</sup>. Call or stop in the Golf Shop to sign up or for more info. We'll also have specials on food and beverages before and during the game.

### Lake Valley Party Bridge

Bridge is played at Lake Valley every Wednesday. For more information, please contact Nancy Hanks at 573-346-5458 or Linda Martin at 573-346-5872.

### Mid-Missouri Players Pass

Mid-Mo Players Pass are on still sale in the Golf Shop for **\$125**. For more information or to purchase, please see Rob or Matt in the Golf Shop.

### Greenside News

We are **OPEN!** Come out to Greenside to check out our new Menu items. The Chili Cook-off will be taking place later this month. There will be a sign-up sheet at the bar. Please see Austin or Daleann if you need more information.

### Stag Night

Men's Stag Night will be taking place on February 26<sup>th</sup>, drinks at 5pm and 6pm dinner. Pulled pork dinner along with homemade ice cream will be served. Cost is \$15 per person for drinks, dinner and 6 raffle tickets. Ten Fifty Group will be the bar sponsor.

## From the Board

by Bob Mietz, President

During our January meeting, we discussed the budget and solidified a lot more numbers for 2019. We agreed to have the Green's Committee meeting as part of the Board Meeting going forward. This will alleviate duplicating information, thus saving time.

Brad, our Superintendent, informed us that the new pumphouse has been constructed. We are now awaiting electricity to be ran.

Due to minimal happenings in February, board members, along with a lot of other members, not being here for the month, we've decided to not have a board meeting this month.

The next scheduled board meeting is for Wednesday, March 20<sup>th</sup>, 2019.

We hope that you get to enjoy the extra time with your family, and we look forward to having a lot more members back in the local area next month.

## Help us grow the game

by Rob Wilson, Head Golf Professional

I know it doesn't feel like it right now, but spring is just around the corner. Our PGA Junior League is up and running with registration now open. Please tell as many of your friends and family so their children / grand children can benefit from this great program. I would love to have enough players so we could travel, and the kids get the chance to play other teams at different golf courses.

February is a good month to get your clubs re-gripped. If you think they need to be re-gripped, bring them in and we can evaluate them for you. We do have most grips in stock.

During the next couple of months, we will be receiving our new 2019 Merchandise. This includes TaylorMade, Callaway, Ping and Cobra clubs. If you haven't tried a new driver or iron(s) in years, this is the year as most brands are coming out with great technology in their clubs.

**Save the date:** we will be having a **TaylorMade** demo day on Saturday, April 13th from 3:00pm-7:00pm.
