

MARCH 2019

Golf Ready

by Mick Jones, General Manager

Who is ready for spring?

I know most of us are ready now! But the course isn't quite there. So, until further notice, we will keep all the golf cars on the cart path. Hopefully we will be able to drive off the path around the middle of this month.

We all know how important aerification is to a golf course. And March is our time for performing this much needed function. Therefore, the course will be closed all day on March 18th and until noon on the 19th.

Speaking of getting ready for this golf season, Rob, our Head Golf Pro will be hosting a few Rules Clinics. The first is for the Lake Valley's Women's Golf Association members (Ladies League). It is being held on March 21st at 10:00 am. I will follow Rob's clinic as I will go over the Golf Genius App.

The Shark Experience has been a great addition to our new golf cars. However, there have been a few "hiccups" with the system. If you find that your golf car will not go forward, put it in reverse and drive backwards for a few feet. This should allow you to move forward, if you move away from the restricted area (your screen will notify you if you're in that area).

Our next Board meeting will be on Wednesday, March 20th at 6:00 pm. As always, all are welcome to attend.

We now have Corporate Memberships and Corporate Sponsorship packages available. Please stop in, call or email me to find out all the exciting details.

The entire staff is excited to get this year's golf season going. As always, we look forward to serving you soon!

Lake Valley Party Bridge

Bridge is played at Lake Valley every Wednesday. For more information, please contact Nancy Hanks at 573-346-5458 or Linda Martin at 573-346-5872.

Bunco

We play Bunco at 7:00 pm on the fourth Thursday of every month. So, this month's event is on Thursday, March 28th. Point of contact is either Barb Lowtharp or Linda West.

Stag Night

Men's Stag Night will be taking place on March 26th, drinks at 5pm and 6pm dinner. Center-cut, bone-in pork chops with homemade ice cream for dinner. If it is your month to work, your cost is \$50. Lake Valley members will pay \$15 and non-members is \$20 (all costs include dinner, drinks and 6 raffle tickets). Additional raffle tickets can be purchased (\$5 for 6 tickets). McGrath Insurance Group and Lake Builders Kitchen Supply will be the bar sponsors this month.

Come in to check out the new items and our new menu for the restaurant.

We're excited to host several events this month. There's a Chili Cook-Off on Sunday the 10th. There'll be St. Patrick's Day specials on the 17th. And a Soup Contest on Sunday, March 31st. Sign-up sheets are at the bar for the Chili Cook-Off and Soup contest.

Greenside News

by Austin Bethel, F&B Manager

Facebook...who doesn't love it! And now, we have our own page. Click, like, comment and share our page as we'll be posting specials and events.

Lessons anyone?

by Rob Wilson, Head Golf Professional

Now that March is upon us, it is time to start thinking about the upcoming season and what you want to achieve with your golf game. For those of you who are thinking about new clubs, we have started to get a wide selection of TaylorMade, Callaway, Ping and Cobra products in the shop. We can custom fit you for any club you desire. For those of you that have made recent purchases over the last couple of years, it might be time for some new grips to help you lower your score. Come in and talk to us and we can get the right grips for you.

With Spring almost here we are taking bookings for lessons. Mick, Matt and I are set to free up your swing to get you in golf shape this season. We offer Individual, Group and Playing Lessons. Please feel free to come in the shop and talk about your game and what you would like to improve this season.

I would also like to remind everyone to sign their children/grandchildren up for PGA Junior League. If you have any questions about the league, you can go to www.pgajrleague.com, come inside the Golf Shop or call us to discuss it further.

Save the date: we will be having a **TaylorMade** demo day on Saturday, April 13th from 3:00pm-7:00pm.
